[To the Chicago Tribune.] WASHINGTON, Sept. 2. The outstanding debt to-day of the old issue of U. S. Demand Notes, was \$2,475,-000. Most of this amount is held in the South and California. It is a singular circumstance that these notes are at the Hon. Edward Everett's Letter. same premium in Richmond as gold, while in New York they are worth one or two per cent. less.

The Navy Department is not in posses sien of any Information concerning the reported capture of the Vanderbilt by the pirate Florida, but on the contrary it has facts to show such an event utterly im probable.

The subscription to the 5-20 loan foots up twenty-one millions seven hundred thousand dollars during the month of August The report that there will be no draft in Ohio is incorrect, in as far as there shall be deficiency in recruiting. It is thought altogether probable that the small quota required from that State will be made up by volunteering; but should they sail to produce men in the right time, the draft will be employed to make up the deficiency. [To the Cincinnati Gasette.]
